

GUIDANCE NOTE No. 3

Communication

Introduction

A number of communication channels have been set up and this is, hopefully, going to help you to decide which to use and when. This is changing all the time so there may well be further updates of this note.

1 Seeking help from the Core Team

In addition to the option of asking me, there is a help line as follows:

HI COVID Helpline – 01223 320420

2 Information from the Core Team to you

Important documents and guidance will be issued from me to you.

Other sources of information include:

- HI Volunteers Facebook page
- HICovid19.online Website
- HI Hub <https://www.hihub.info/>
- If the need arises, we will arrange an occasional Volunteers' Zoom meeting but, at present, there is no plan to restart the weekly meeting held during the first lockdown.

Don Kelly
Volunteer Liaison
HI Covid 19 Village Response Team
